

Mrs. Bennett's Second Grade News

February 22nd-26th

REMINDER...

Parent-Teacher Conferences are Right around the Corner!

Parent-Teacher Conferences are scheduled for the evenings of March 9th, 11th, and 17th. **However, I am unable to conduct conferences on the evening of March 17th and instead will be holding conferences on March 10th.**

If March 10th works best for your family, please send me an email with the time you would like to meet. Currently, the entire evening of March 10th is open. If none of the available dates/times work for your family, please let me know and we can make other arrangements.

You can access the conference sign-ups using our scheduling system, PTC Wizard through the Douglass website www.douglasselementary.com.

I look forward to meeting with you again!

Scholastic Book Orders

If you would like to order any books from our latest Scholastic Book Order, please visit <http://scholastic.com/parentordering/>

Username: BennettDouglass
Password: Bennett

One more order and our shipping will be free!

Cool Science Website!

Now that your children are going to be studying air and weather, a fabulous way for them to extend their knowledge is through the web!

Check out this website...

<http://www.fossweb.com/modulesK-2/AirandWeather/index.html>

This website provides home/school connections for parents, math skill extensions, air and weather games, and even a link that allows your child to ask a scientist a question about weather and get their response posted online! It is definitely a site worth checking out!

On the Horizon

- No School- Teacher Work Day (Feb. 26th)
- Report Cards Go Home (March 5th)
- Parent Teacher Conferences (March 9th, 10th, & 11th)
- Douglass Used-Book Exchange (March 9th, 10th, & 11th)
- Spring Break (March 22nd-30th)
- Butterfly Pavilion Field Trip (April 15th)

Teach for Sustainability...

Beginning in March, our classroom will be participating in a program through the University of Colorado called "Teach for Sustainability." We are pleased to have two CU interns this year, Alyssa and Andrea. They will be coming to our class each Wednesday through the month of April to teach fun, interactive lessons that correspond with our second grade science units.

Personal Presentations...

Matthew	3/5	11:50
Kaylea	3/12	11:50
Jake	3/19	11:50
Grace	4/9	11:50
Zach	4/16	11:50
