Walker Ranch Update!

Thank you to those of you who volunteered to chaperone our field trip to Walker Ranch on September 24th. I chose the first 3 people who indicated their availability on the permission slips. If your name appears below, please keep a look out for the reminder notice in this week's Friday Folder detailing important information and times for our trip. If you are not able to be a chaperone on this trip, please know that you will have preference on all upcoming field trips. Thank you!

Chaperones:

Susan Mercier
Donna Jones
Sally Sudol

★ Please help remind your child to layer their clothing and to bring a sack lunch and a drink on September 24th.

Ways to Study Spelling Words...

Now that your child has their own individualized list of spelling words to practice, here are some ideas to help make learning spelling more fun!

1. If you have a glass shower door, try taping the spelling words to the outside. Then, have your child use bathtub crayons to copy the words onto the shower wall. You can accomplish two tasks at once!
2. There is a wonderful website that allows you to create personalized word searches and crossword puzzles. You can create a word search using your child's spelling words! Check it out!
