

Mrs. Bennett's Second Grade News

August 24th - 28th 2009

September Reading Log

In this week's Friday Folder you will find the September Reading Log. Second Graders should be reading with an adult or independently for at least 20 minutes a night in addition to their nightly homework. For every 20 minutes they read, they may color in one apple. When their form is completed, they return it to school for a reward. If your child happens to lose their reading log, you can find downloadable versions on our class website.

Phone Tree

The phone tree that you filled out during Back to School Night is included in this week's Friday Folder. Most correspondence will take place over email, but if the need arises, the phone tree may be activated. Please keep it in a safe location. Thank you!

Walker Ranch

We will be taking our first field trip to Walker Ranch on Thursday, September 24th! Please keep your eyes peeled for a permission slip coming home in the Friday Folder. If you are a parent who would like to volunteer to chaperone, please indicate your availability on the permission slip. We will be taking a bus to Walker Ranch, so we are limited to 4 adult chaperones. If you are not able to accompany the class on this trip, you will have priority on future field trips. This trip compliments our study of Boulder history during the month of September.

Personal Presentations...

Molly	9/11	11:50
Nathan	9/25	11:50
Brett	10/2	11:50
